Power bank FUERTE 10000 mAh 15W

Code: **45125-02**

FUERTE 15W is a power bank that has many modern functions. The most important of these is the Power Delivery (PD) fast charging function. This is a fast charging standard that allows you to transfer high power through the USB-C connector. The technology is characterized by an increased power level, in the case of FUERTE it is as much as 15W. The biggest advantage of the Power Delivery standard is the ability to intelligently adjust the charging power to the device being charged. In addition, the power bank has a built-in wireless charger with a maximum power of 15W, a digital display hidden under an elegant mirror housing and a flashlight. The USB-C port is bi-directional - it is both an input and an output, which means that - together with the two USB-A outputs - it is possible to charge up to three devices at the same time. The charging cable is included.

AVAILABLE COLORS:

02

Country of origin:	China
USB Standard:	3.0
Number of USB ports:	2
Air Transport Possibility:	No
Inductive charging:	YES
Capacity (mAh):	10 000 mAh
Warranty in months:	12
Dimensions:	69 x 147 x 16 mm
EAN:	5905179642561
Customs code:	8507600090
Color:	02 - black
Material:	plastic
Product packaging:	black box
Gross unit weight (kg):	0.3190
Dimensions of the package:	170 x 100 x 35 mm
Number of pieces in a carton:	40
Dimensions of the box (cm):	42 x 35 x 19
Weight of the carton (kg):	13.600
